Communicators wanted — If you love to write, edit, shoot digital photos at events or prep images for the web, let's team up.

With my new role as president (see Chapter News below), I'm looking for eNews collaborators. Training provided (if wanted) in the web-based publishing template that is easy to use or submitting copy or photos by email also works. We can fine tune your contribution to match your time and interests. [Thanks, Sandra Mueller](#)
